

Team Building Training Outline

Course Length: 2 to 3 days

Course prerequisites: none

Overview

This course will help the participant to establish teamwork in their organization by aligning their efforts, sharing the workload, and achieving successful early results. This course is targeted at everyone that leads or is a part of a team that is looking to build and enhance overall team performance.

Course Content

- Understand how teams can come together successfully and in a planned way.
- Identify what teams need to do at the outset to ensure focus and effectiveness.
- Pilot and then implement a widespread and successful team culture.
